ORDERING PROCESS

**To ensure the highest reactivity,
all procedures are done via e-mail.**

STEP 1

You send us a quotation request to www.stainlesssteel.com.mk
+389 47 203 900 or electrolux@t-home.mk

This request should include the following elements:

- text or logo with according artwork (PDF, JPEG, EPS, AI, CDR,...)
- dimensions (length or height, depth,...)
- material
- finish
- mounting details

STEP 2

We send you a proforma invoice within 24H to 48H including price for goods and freight (UPS up to 2m³, usual air-freight or sea-freight for higher volume).

STEP 3

If you accept this offer, production will start at reception of your definitive artwork and copy of payment by international transfer.

No IBAN in Hong Kong.

Production and delivery time: +/- 12 days.

STEP 4

Your order is delivered to your place by UPS staff.

On delivery of the goods, you will have to pay to UPS:

- VAT (refundable)
- Import duties (2,7% for European countries,...)
- clearance charge.

The main part of these expenses will be made up by refundable VAT.
